## RIVERWOODS AT NEW HOPE COMMUNITY ASSOCIATION 2016 BUDGET ANALYSIS

#### **INCOME**

- **Assessments Singles:** The annual assessment for each detached single home is \$1,098, an increase of \$63.
- **Assessments Townhomes**: The monthly townhome contribution to the Master Association is \$76, an increase of \$5.25. The townhomes will also be assessed for services provided solely to them; please refer to their separate budget.
- **Resale Capital:** It is projected that one townhome will be resold and pay a capital contribution of \$250 and ten single homes will be resold and pay a capital contribution of \$750. These funds will be transferred to the capital account.
- **Interest:** Projected at 1.0% on the Association's operating, reserve and capital funds.
- **Miscellaneous:** The Association is reimbursed by New Hope Borough for electricity charges to ten streetlights.
- **Late Charges:** It is anticipated that some owners will pay their assessment late and incur late charges.

#### **EXPENSES**

- **Grounds Maintenance:** The Association is responsible for maintaining the common open space, comprised of 18 acres. The Association will mow these areas approximately 25 times per year. The grass areas will receive turf applications in the spring and fall. In addition, the Association owns other common areas that will remain in their original, natural condition or that contain wetlands, which may not be disturbed. The budget also provides \$8,500 for the non-contracted landscaping services.
- **Snow Removal:** The Association is responsible for plowing snow on the roads and hand shoveling snow from the sidewalk along common ground. The budgeted amount is based on the average expense of the prior four years.
- **Trash Removal:** The Association provides trash removal service for all homes. The monthly unit cost for the single-family homes is projected at \$15.50 and includes recycling service.
- Management Service: In accordance with the existing Management Agreement.
