

November 20, 2015

Dear Homeowner(s),

In early August 2015, the Riverwoods at New Hope Community Association was home to an unfortunate act of dog on dog violence, ending with the death of one of our neighborhood dogs. Since the attack took place, your Board of Directors has worked with Riverwoods at New Hope homeowners, the Borough of New Hope, and several attorneys, to develop a policy aimed at helping to protect all residents and pets within the community.

The Board of Directors has approved the attached Dog Control Policy, titled "Sobe's Law."

You will note that the effectiveness of this policy relies on all residents reporting any witnessed incident covered by the policy, our objective is to make our community as safe as possible but it requires a collective effort.

Please ensure that this document is kept with other important Association documents as it is now officially a part of the Association's rules and regulations. It will also be available on the website under "Association Documents"

Should you have any questions regarding the enclosed document, please contact Jon Kotler of Continental Property Management at j.kotler@cpm975.com or 215-343-1550.

Sincerely,

Board of Directors
RIVERWOODS AT NEW HOPE COMMUNITY ASSOCIATION
